

Social Day 2018

Call for Proposals: Southeast Europe

– Short Application –

1. Overview

1.1. Name of the project

(Title of the project)

1.2. Name of the applicant

1.2. Geographical area of the project implementation

(Country or countries, region/s, city/cities)

1.4. Budget required from SHL/ Total budget

1.5. Duration of the project/Funding period

Number of months	Intended start of the project (DD/MM/YY)
<input type="text"/>	<input type="text"/>

1.6. Short description

(Outline of the project, max. 600 characters)

1.7. Thematic focus area

SHL’s Call for Proposals 2018 focuses exclusively on projects that empower young people to actively shape their own living conditions and environment in the context of migration. Please specify if and how your project falls within one (or several) of the three fields defined in the Call for Proposals 2018. (max. 500 characters)

1.8. Youth participation

SHL aims at supporting projects where children and youth participate in decision-making and implementation. Please describe current youth participation in your organization and in the project, if applicable, and how you plan to assure youth participation in your project. (max. 500 characters)

2. The Project

2.1. Background

Societal Background

Which specific problem would you like to address with your project? What causes this problem? Who exactly is affected by the problem, and how? (max. 500 characters)

2.2. Target group/s

Age

Target group (mark the age)						
	0-10	10-14	14-18	18-22	22-26	26-
Approximate number of direct project beneficiaries						

Profile of the target group

Which characteristics (e.g. interests, background, education, etc) does the target group show? (max. 500 characters)

2.3. Objectives & Strategies

Impact

What is the overarching goal/societal impact your project contributes to? Please state in one sentence. (max. 300 characters)

Outcome

Which concrete changes will have happened for your target group when your project has been implemented? One, or maximum two outcomes will usually be sufficient. Define at least one indicator per objective. (max. 600 characters)

Output

Which tangible results (goods and services) does your project deliver? Be sure to distinguish from activities: „To hold a workshop“ is an activity, not an objective. Rather, focus on the changes that you plan to achieve, for example by holding a workshop. (max. 1000 characters)

--

2.4. Project Activities

Please describe 3-5 of the planned project activities. How/why are these activities relevant for attaining the project outputs and outcomes? How effective are they? (not more than 300 characters each) Please describe one activity per line.

--

2.5. Sustainability

Sustainability of the project activities

Describe how the results of the project can persist after the project is finished and financial assistance has ended. (max. 500 characters)

--

3. Organisational details

Name of the organisation/ Abbreviation	
Headquarter	
Additional offices	
Legal form	
Address (street, city, postal code)	
Telephone	
Fax	
Website (URL)	
Contact person (position within organisation)	

3.1. Partner organisations participating in the project

Name	Address	Contact person and position

3.2. Experience in similar projects

Please give a detailed description of a maximum of three projects with a similar background, which were completed during the past years.

Name of the project	Donor	Amount in Euro	Duration
