

CFP 2020-01 Improved Safety of Women in Serbia – Frequently Asked Questions

Question	Answer
1 Could you please share the application documents in Word format?	Please find documents required for application in Word version. https://drive.google.com/file/d/1h8XTKvb-lvI6R9fH79jT5iWWQeNXzcN4/view?usp=sharing
2 Apart from the CSOs, are there other entities that are eligible to apply (e.g. centers for social work, local gender equality commissions)?	No, only CSOs are eligible to apply.
3 Is it possible for gender equality commissions to join the project in some other modality?	No at this stage. If there is an opportunity to include gender equality commissions in the project, we will certainly spread the word.
4 Is it possible for two organizations in submit a project proposal jointly (as a lead-applicant and co-applicant)?	Yes, a proposal can be submitted by a single organization (lead proponent). Two or more organizations or entities may cluster and submit one proposal, on the topic of mutual interest. Such proposals must clearly indicate which organization will take lead responsibility for project management and contractual obligations. Furthermore, the proponent may provide sub-grants to other eligible organizations or entities. If sub-grants modality is considered, the lead proponent will take full accountability for sub-grantees results, financial resources utilization and reporting.
5 Is necessary to submit the documents for one conducted procurement in its entirety (reference to Annex B-4, Procurement section)?	Organization may submit templates of solicitation documents related to procurement process. UN Women may request additional documentation and clarification.
6 Is final report required and should it be narrative and/or financial(reference to Annex 4, Client Relationship)?	Organization may submit narrative reports approved by the donors and audit reports, if organization had any audits. UN Women may request additional documentation and clarification.
