

GFX2022

Challenge Grant Program

Fujifilm Form of Application Cover letter

Please fill in the information below and attach this as the first page of your proposal.

*This sheet is just the cover letter for your proposal. You will need to prepare your detailed project proposal and portfolio separately and combine all of these elements into a single PDF.

*The documents must be written in English, but it can be accompanied with your preferred language of choice.

*Language proficiency is not part of the judging criteria.
