- 2. Cost Sharing or Matching.** Cost sharing is allowed but not required and will not impact funding decisions.

While filling out the application, you will be required to tell us whether you are also receiving funding from other donors for your project. Please be aware, however, that you must be able to carry out all the activities described in your application with the funding you receive, even if the contributions from other donors or other funding sources fail to materialize.

### **3. Other Eligibility Requirements.**

In order to be eligible to receive an award, all organizations must have a Unique Entity Identifier (UEI) number issued via [www.SAM.gov](http://www.SAM.gov) as well as a valid registration on [www.SAM.gov](http://www.SAM.gov). Please see Section D.3 for more information. Individuals are not required to have a UEI or be registered in [SAM.gov](http://SAM.gov).

If an applicant (either individual or organization) has already received a grant from the U.S. Embassy the grant period for the new project will overlap with the existing one, or if an organization has submitted more than one project proposal, please use section “y” in the application form to explain how you will manage more than one project and describe your capacity to do so.

### **4. Funding Restrictions.**

You may NOT apply for a grant from PDS if your project:

- involves partisan political activity;
- involves charitable activities and/or the distribution of humanitarian aid;
- is a fundraising campaign;
- is commercial in nature, i.e., you or a project partner are making money from this project, or the activity supports a current or future business or entrepreneurial venture.
- involves the provision of health care or services, childcare, food subsidies, or other social services to populations.

This funding opportunity aims to support specific projects with objectives which can be achieved within a set timeframe. We will not accept applications which are aimed more broadly at supporting your organization’s usual or typical daily activities and operations. Those will be deemed technically ineligible and will not be considered for funding by the review committee.

For this particular NOFO, grant funding can be used to cover the cost of travel within the region or between the United States and Serbia if attendance by participants from neighboring countries is an essential part of the project.

As a general rule, participants or audiences should not be charged for taking part in any PDS-funded activity. If you envisage that your project activity will not be free for some reason, please contact PDS while you are in the process of completing the application to see whether that could be allowed. Depending on the funding source, PDS might be able to support your project, but only if you can demonstrate how the revenue generated will be used to support the larger objectives and explain that your organization will profit from the modest entrance fee.

See also “Guidelines for Budget Justification” under Section H below for more information on budget items.

### 3. Required Registrations:

All organizations applying for grants (except individuals) must register in the System for Award Management (SAM) at [www.SAM.gov](http://www.SAM.gov). Once you start the registration the system will generate a Unique Entity Identifier (UEI). The registration is free of charge.

Any applicant with an exclusion in the System for Award Management (SAM) is not eligible to apply for an assistance award in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR, 1986 Comp., p. 189) and 12689 (3 CFR, 1989 Comp., p. 235), “Debarment and Suspension.”

The Unique Entity Identifier (UEI) is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. SAM.gov is the Federal government's primary database for complying with FFATA reporting requirements. OMB designated SAM.gov as the central repository to facilitate applicant and recipient use of a single public website that consolidates data on all federal financial assistance. Under the law, it is mandatory to register in SAM.gov.

To access SAM.gov an organization is required to have a Login.gov account. Organization can create an account at <https://login.gov/>. As a reminder, organizations need to renew its sam.gov registration annually.

[www.sam.gov](http://www.sam.gov) requires all entities to renew their registration once a year in order to maintain an active registration status in SAM.gov. It is the responsibility of the applicant to ensure it has an active registration in SAM.gov.

If an organization plans to issue a sub-contract or sub-award, those sub-awardees must also have a unique entity identifier (UEI number). Those entities can register for a UEI only at SAM.gov.

If an organization does not have an active registration in SAM.gov prior to submitting an application, the application will be deemed **ineligible**. All organizations applying for grants (except individuals) must obtain these registrations, the latter are free of charge.

**IMPORTANT NOTE:** The registration process can take some time and past applicants have, in fact, run into difficulties. Please do not wait until the last minute to start the registration process. If in the end you are unable to complete the SAM registration by the application submission deadline, check the appropriate box in section “h” of the application form after “SAM.gov Registration,” and attach a screenshot from SAM.gov as proof that you have started the registration process. Let us know as soon as you have completed your SAM registration. Until that step is complete, the review panel will not read or consider your application. If you are unable to finish the SAM registration process, we unfortunately will be unable to support your project.

Note: As of April 2022, a DUNS number is no longer required.

#### **4. Submission Dates and Times**

Applications are due no later than March 17, 2023.

#### **5. Other Submission Requirements**

All application materials must be submitted by email to [BelgradeAlumni@state.gov](mailto:BelgradeAlumni@state.gov).

If PDS does not receive a complete project proposal at the above address by the deadline, it will be considered technically ineligible and will not be considered for funding.

### H. OTHER INFORMATION

## **Guidelines for Budget Justification**

Personnel and Fringe Benefits: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program. Fees should be reasonable, in accordance with expected levels in the locality where the grant activity is taking place.

Travel: Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. Costs for international travel, including within the Balkans, can be included in the budget only if that travel is essential to the implementation of the project. Please make sure the project proposal makes clear why international travel is necessary. If you are proposing a visit to Serbia by a subject matter expert, trainer, instructors, performer, or anyone else from the United States, please contact PDS to check whether that would be an allowable expense.

Honorarium: Honorarium is limited to a maximum of \$250 per day. Compensation for time spent preparing for a presentation, workshop, or other activity, however, can be included in Personnel and Fringe Benefits, including hours spent in preparation based on a realistic hourly rate.

Equipment: The budget cannot include purchase of any equipment, which is defined by the USG as property costing \$5,000 or more with a useful life of one year (or longer than the duration of the grant). Only rental of equipment is allowed. The rental should be listed under “Other Direct Costs.”

Supplies: List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$5,000 per unit, then put it in the budget under “Equipment.”

Contractual: Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 10% of the modified total direct costs as defined in 2 CFR 200.68. If you do this, you are obviously not allowed to include itemized indirect costs in your budget request.

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages.
