2. Eligibility Self-declaration

1. **Are both organisations a legal entity (natural persons are excluded)?*** YES/NO
2. **Are both organisations legally established and operational, independently of its legal status type?*** YES/NO
3. **Do both organisations qualify as a Knowledge Valorisation Intermediary (KVI) as defined by VALLEYS?*** YES/NO
4. **Are the host and guest independent legal entities (not belonging to the same group, nor affiliated) established in two different EU Member States or Horizon Europe Associated Countries?*** YES/NO
5. **Can you confirm to the best of your knowledge that neither the application as a whole nor any parts of it have benefitted from other funding?*** YES/NO
6. **Are both organisations free of any legal link or association with a member of the VALLEYS consortium, and is neither of them a consortium member?*** YES/NO
7. **Legal and practical responsibilities*:** We acknowledge that the host and guest organisations are jointly responsible for all practical and legal aspects of the secondment, including visas and permits, insurance, occupational health and safety, and compliance with applicable employment, social security and data protection law. We acknowledge that the seconded staff remain employed by the guest organisation and that the VALLEYS consortium provides no legal, immigration, insurance or employment support or liability. YES/NO

3. Project description

1. **Project name*:**
2. **Project acronym* (max 5 words):**
3. **General description*:** Tell us about the cross-border secondment you would like to develop within VALLEYS Open Call #1. *(min 50 max 100 words)*
4. **EU Code of Practice addressed* [select at least one]:**
 - Intellectual assets management
 - Standardisation in R&I
 - Industry–academia co-creation
 - Citizen engagement
5. **Objectives*:** What are the specific objectives of secondment and how do they relate to the ERA Guiding Principles and to the Code(s) of Practice selected above? *(min 80 max 180 words)*
6. **Additional Thematic Working Group:** Your organisations will participate in the VALLEYS Working Group corresponding to the Code of Practice addressed by your pilot (selected in question 4). Please indicate any additional Working Group(s) you would like to join:
 - IP management
 - Standardisation
 - Industry–academia co-creation
 - Citizen engagement
 - Policy (open to all applicants)
7. **VALLEYS training programme*:** I acknowledge that all the designated staff directly involved in the pilot must register on the VALLEYS Learning Management System (LMS), and that the staff designated in section 5 must complete the designated self-paced online modules (each lasting approximately 1.5h).
8. **Modules you intend to complete* [full description of each Module in Annex 1].** The selection is indicative (at least 3) and may be adjusted with your buddy coach as part of the KPI and Milestones Agreement.
 - **Module 1: Designing an IP/IA strategy**
 - **Module 2: Open licensing & responsible IP**
 - **Module 3: Data/know-how valorisation**
 - **Module 4: How to integrate standards early in projects**
 - **Module 5: Standardisation & valorisation**
 - **Module 6: Successful industry-academia collaboration**
 - **Module 7: Bringing industry into the valorisation ecosystem**
 - **Module 8: Developing entrepreneurial skills in researchers**
 - **Module 9: Entrepreneurial thinking for research valorisation**
 - **Module 10: Foundations of citizen engagement for valorisation**
 - **Module 11: Facilitation and co-creation methods**

- **Module 12: Impact and sustaining citizen engagement**
- **Module 13: Open Innovation for Research-to-Market**
- **Module 14: Gender & Inclusion in Knowledge Valorisation**
- **Module 15: Research Data for Knowledge Valorisation**
- **Module 16: Business model discovery for research-based innovation**

4. Excellence and Relevance

1. **Problem addressed*:** Frame the concrete problem or improvement aspect your secondment will address and show the explicit application of at least one EU Code of Practice. *(min 80 max 180 words)*
2. **End-users*:** Identify the end-users of the action (internal staff, researchers, SMEs, citizens, policymakers...) and explain why the action matters to them. *(min 80 max 180 words)*
3. **Methodology and approach*:** Describe the approach, methodology and explain why it is proportionate to a six-month implementation period. *(min 80 max 180 words)*
4. **Host-guest match*:** Evidence the strength and complementarity of the host-guest match: the knowledge gap at the guest organisation, the practice to be transferred and evidence that the host holds it. *(min 80 max 180 words)*
5. **Learning objectives and curriculum*:** Set out the learning objectives, the week-by-week curriculum and the tangible outputs (e.g. SOPs, playbooks) to be institutionalised. *(min 80 max 180 words)*
6. **Prior access to cross-border mobility*:** Describe the prior access of each organisation to cross-border mobility or secondment opportunities. *(max 120 words)*

5. Implementation and Quality

1. **Implementing team*** *[repeat per team member]*
 - **First name***
 - **Last name***
 - **Organisation***
 - **Role in the project*** *(e.g. project lead, technical lead, trained user, seconded staff member, host supervisor)*
 - **LinkedIn profile**
 - **CV*** *(in PDF, preferably in Europass format)*
 - **Main tasks in the project*** *(max 80 words)* — describe how they will contribute to achieving the project goals and objectives, and what experience and skills they have that are relevant to the project.
2. **Secondment arrangements***
 - **Number of staff members to be seconded***: 1 or 2.
IF 2: **Split between seconded staff***: Where more than one staff member is seconded, the proposal must justify the role and learning objectives of each person and demonstrate that the proposed split allows sufficient depth of immersion.
 - **Planned start date of the secondment*¹:**
 - **Planned end date of the secondment***:
 - **Total duration of physical presence at the host organisation (weeks)***: *(minimum one month (4 weeks), which may be completed in separate periods rather than consecutively)*
 - **Describe the supervision arrangements and the host facilities and resources made available.*** *(min 80 max 180 words)*
3. **Activity plan***: Provide a clear and detailed activity plan for the six-month project, covering the preparation, the secondment and the return-and-embed plan, with the main risks and their mitigation. Explain how these activities support the project objectives. *(min 180 max 350 words)*
4. **Gantt chart***: Upload a Gantt chart including all planned activities for the project's execution (duration: up to 6 months). (PDF)
5. **Milestones, deliverables and KPIs***: List the internal milestones and deliverables of the pilot, aligned with the three VALLEYS payment milestones (Month 2; Month 4; Month 7), together with the key performance indicators that will serve as your benchmark, with baseline and target values. These will be the basis for the KPI set agreed with your assigned buddy coach during Month 1. Include a mix of operational KPIs and communication/dissemination/replication KPIs. *(min 80 max 300 words)*

¹ Please note that projects should start in April 2027.

6. **Ethics, data protection and intellectual assets*:** Describe how the project will address ethics, data protection (GDPR), and IA/IP and confidentiality arrangements during the secondment (*e.g. background registers, licensing choices, access to the host's case files*).
(min 80 max 180 words)

6. Impact, Uptake and Replication

1. **Measurable outcomes*:** Describe the concrete, measurable outcomes of the project linked to your KPIs, covering both the individual skills upgrade of the seconded staff and the organisational outcome in each organisation (*e.g. number of staff trained, procedures adopted, cases handled jointly, contacts with SDOs established*). (min 80 max 180 words)
2. **Evidence of practice transfer*:** Explain how you will evidence that the practice has been transferred, including the before/after comparison, the train-the-trainer effects and any new services created as a result of the exchange. (min 80 max 180 words)
3. **Institutional change*:** Describe the institutional changes expected in each organisation (policies, SOPs, tools, training packs, service offer), how they will be embedded and who will own the process after the pilot. (min 80 max 180 words)
4. **Continuation plan*:** Present a credible post-grant pathway covering continuation beyond the funding period (*e.g. MoUs, internal budget lines, named governance owner, continued collaboration between the two organisations*). (min 80 max 180 words)
5. **Replication and policy relevance*:** How could your results and lessons learned be replicated by other territories or organisations (*e.g. transferable protocols, guidelines, templates, adoption by other valleys*), and could they inform standards, policies or citizen practices? (min 80 max 180 words)

7. Communication, Dissemination and Uptake

1. **Please select the dissemination strategies your organisation plans to use*** *[select one or more options]*
 - ☐ Sharing the results in social media / dissemination materials / website updates

This includes the ethics issues identified in this report and any additional ethics issues that may emerge in the course of the grant. In case any substantial new ethics issues arise, beneficiaries should inform the granting authority.

By submitting this form, I confirm that I have taken into account all ethics issues above and that, if any ethics issues apply, I will complete the ethics self-assessment as described in the guidelines '[How to Complete your Ethics Self-Assessment](#)'.

10. Declaration of Honour

By submitting this form, I, the applicant, acting on behalf of both the host and the guest organisations and duly authorised to do so,

hereby certify that, for each of the two organisations (subject to the additional declarations below):

1. The information provided for this project is truthful, correct and complete.
2. The information concerning the legal status in the Application for each organisation is correct and complete and concurs with the stipulations outlined in the Guidelines for Applicants, including its annexes (if applicable).
3. Each organisation commits to comply with the eligibility criteria set out in the call for proposals for the entire duration of the action.
4. Each organisation:
 - is committed to participate in the action;
 - has stable and sufficient sources of funding to maintain the activity throughout the action and to provide any counterpart funding necessary;
 - has or will have the necessary resources needed to implement the action;
5. Each organisation
 - is NOT subject to an administrative sanction (i.e., exclusion or financial penalty decision).
6. Each organisation is NOT in one of the following exclusion situations:
 - bankrupt, being wound up, having the affairs administered by the courts, entered into an arrangement with creditors, suspended business activities or subject to any other similar proceedings or procedures;
 - in breach of social security or tax obligations.

In the context of conducting this Open Call, which is part of the project VALLEYS, we collect your personal data necessary for evaluating your proposal. These data may include:

- Name, contact information, and professional details (provided via form, CV standalone files or any other type of data)
- Information included in your application forms, supporting documents, or other materials.

This data will be used for purposes such as evaluating submissions, managing participation in the programme, and complying with our contractual obligations under grant agreements the programme you are applying are part of.

Your personal data may be shared with third parties which may, include, but are not limited to:

- Granting Authorities: REA.
- Consortium Partners: The information provided may also be shared with the partners in the consortium. These partners are contractually obligated to handle your data in compliance with applicable with national and European data protection legislation, including GDPR standards, ensuring the confidentiality and security of your personal data. More about the project consortium members you can find at the project website.
- **Subcontractors or evaluators** involved in assessing applications or implementing actions.

- **Monitoring and oversight bodies**, including internal audits, the European Court of Auditors, and the European Anti-Fraud Office (OLAF), as required under Union or national laws.

Such sharing will be conducted in compliance with GDPR, the grant agreements, and other relevant regulations. In particular:

- For EC co-funded programme, personal data included in applications will be shared with the EC or its agencies, as required by Articles 15, 19, and 25 of Horizon Europe Grant Agreement.
- REA may process this data as data controllers to monitor compliance, ensure proper implementation, and verify eligibility.

11.1 Accuracy and Completeness of Data

All data provided must be accurate, precise, and complete, as required by **Article 19.1 of the Horizon Europe Grant Agreement**. Failure to provide such data may result in the inability to process your application or other actions necessary for programme participation.

11.2 Security Measures

Sploro implements appropriate technical and organizational measures to ensure the security of your personal data. However, the hosting and operation of the platform are managed by **AcceleratorApp**, and their policies apply to the processing operations they manage. You can view their Privacy Policy for details.

All data processing activities are carried out in a strictly confidential manner, and secured according to the state of the art, and industry best standards using anonymization techniques where possible.
